

5 *** Dance vacation**
with **Daniel & Angela**
in the **Hotel Amarina Abu Soma**
in sunny **Safaga Egypt**
in the period of **October 20 - 28, 2025**

Registration deadline: April 09, 2025

In cooperation with the Hotel Amarina Abu Soma Resort, we offer you, at average summer temperatures of 24-31°C our second exclusive dance vacation. At this time of year, the average sea temperature is 25°C and is perfect for swimming.

The aim of this trip is to spend an unforgettable dance experience in an exclusive location and create amazing memories.

Our dance videos have been viewed millions of times on social media and we have been able to inspire a large audience. On this dance vacation, we will teach you step by step how to dance your favorite Discofox and Trio Fox moves.

Whether you are a beginner or an advanced dancer, we always have the right moves for you. The fun factor on the dance floor is guaranteed.

You will not only learn new creative choreos from us, but also spend a wonderful all-round feel-good vacation by the sea.

We had the privilege to get to know this hotel complex very well and can therefore recommend it dearly.

A get-to-know-you meeting is planned for October 20 at 18:30 a.m. in the hotel lobby, where we will all have the opportunity to get to know each other personally in a cozy atmosphere.

We organize the airport transfers, teach the Discofox classes (see entertainment plan) and book your desired day trips, so you can lay back and enjoy your well deserved free time.

If you wish, we will capture your experiences in the form of photos and videos and make them available to you in high quality at the end of the trip.

The price for the photo and video recordings during the entire dance vacation, their editing and publication on our highly frequented social media platforms (Facebook & Tiktok) as well as on our website www.daniel-angela.de is 699 euros/person. As a special treat, this **service is included in the price for you.**

We are already looking forward to a wonderful vacation with you.
You will love it.
